**DAY
SHOW**

SANDCASTLE MAZE

Help Construction Carl find his way through the construction site to the sandcastle.

CUT AND PLAY

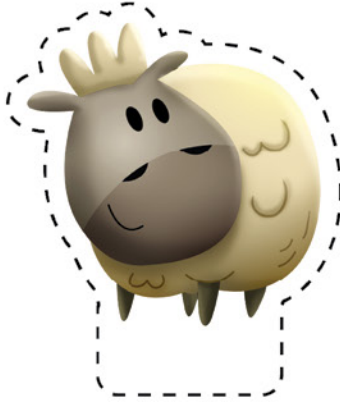

Print these Bible buddies and their boat on cardstock for extra durability or laminate them to keep the fun going even longer! Then cut them out and let your little ones bring the story to life in a sandbox, sensory bin, or anywhere around the house. Follow Jesus and His disciples on a big adventure one scoop, dig, and imagination-filled moment at a time!

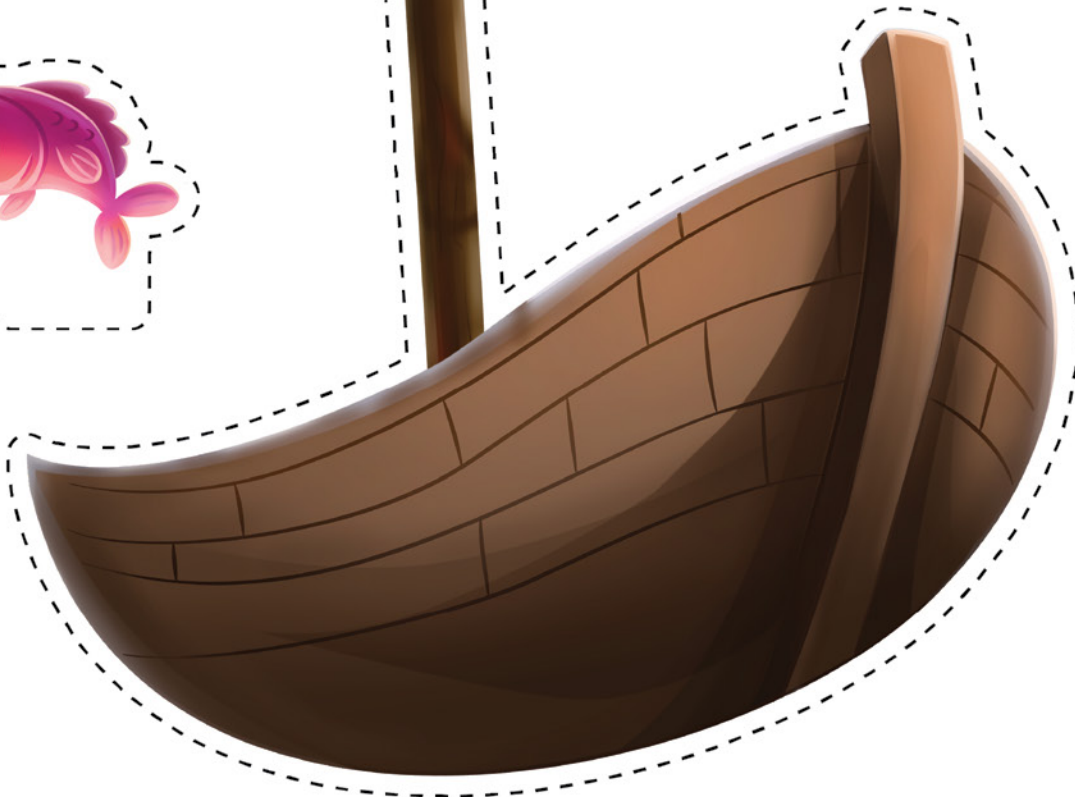

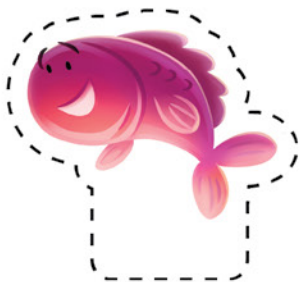

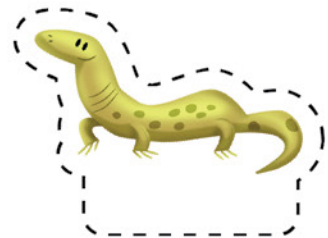

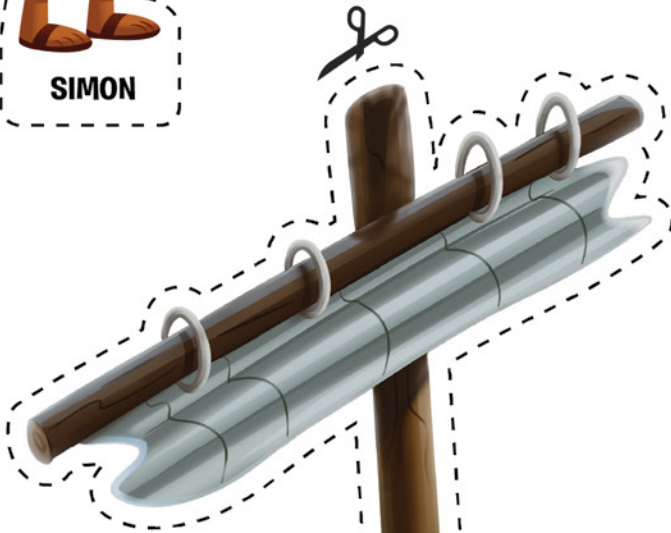

SIMON

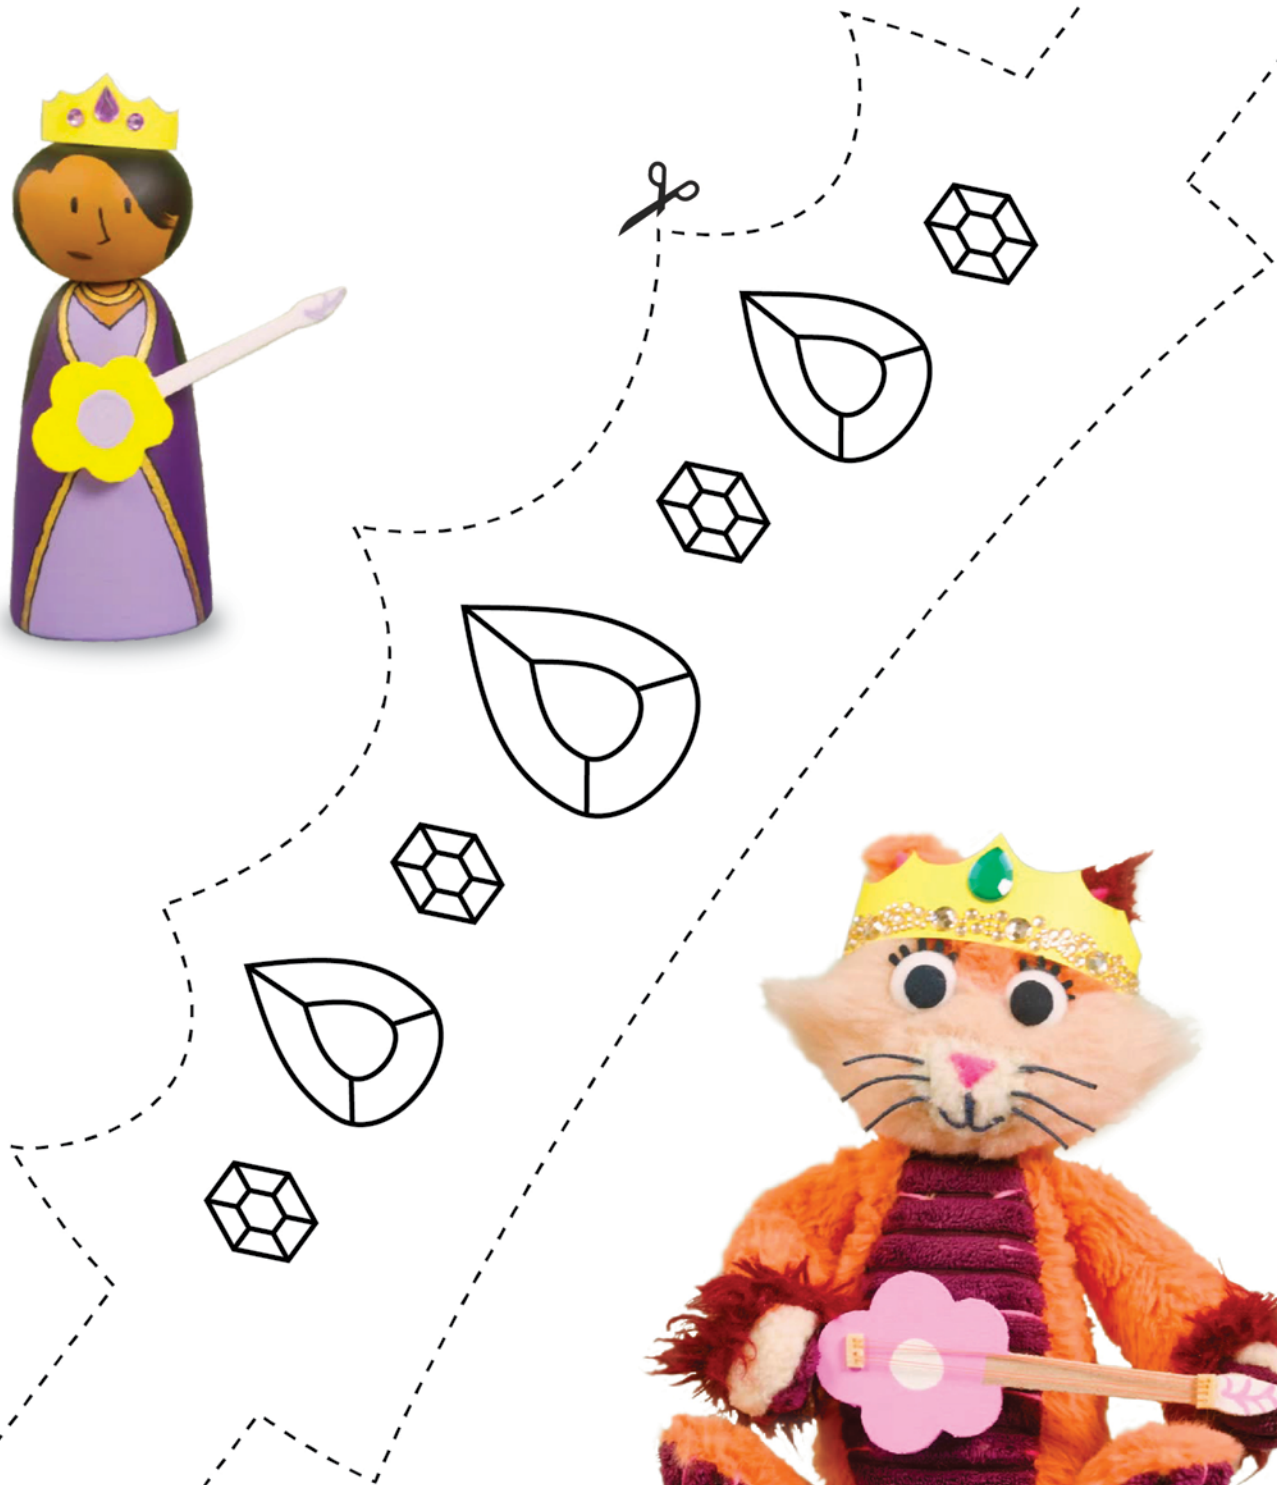

PHILLIP

A COURAGEOUS QUEEN!

Color and cut this crown to wear like Courageous Queen Esther!
Attach the crown with tape at the back.

GOD IS SOARING!

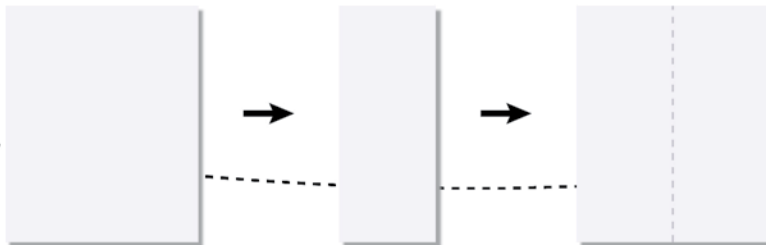

How to make the best paper airplane!

Use the templates on the next pages to create your own Minno airplanes! Fold **away** from the printed side.

1

Fold the paper in half longways.

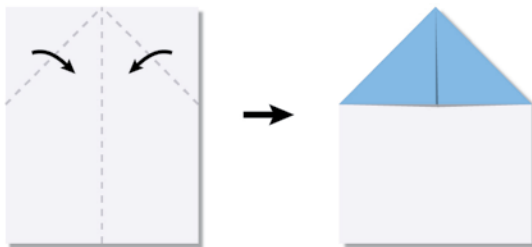

Open it back up so you can see the middle line.

2

Fold the top corners to the middle.

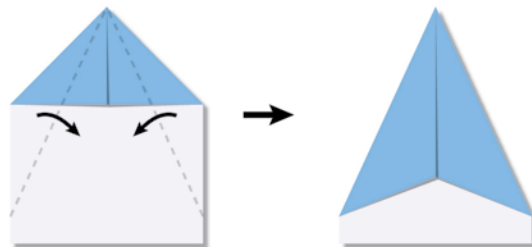

Make sure the edges line up with the center crease.

3

Fold the slanted edges to the middle again.

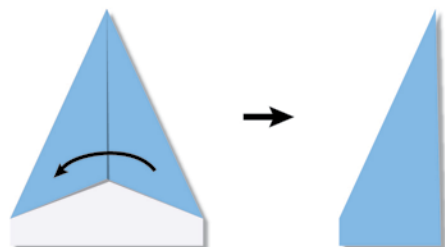

Make sure the edges line up with the center crease.

4

Fold the whole plane in half.

Fold in half along the center crease.

5

Make the wings.

Fold each side down to create two big wings.

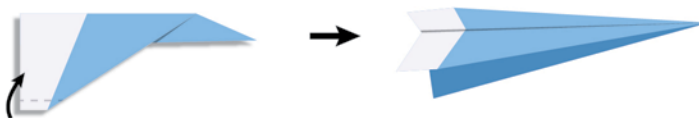

6

Fly your airplane!

Open the wings and hold it in the middle. Throw it gently forward.

***Pro tip:** Fold tips of wings up to add more loft to the plane's flight.
