FAMILY DISCUSSION GUIDE

The Bible is full of true stories that teach us who God is and how much He loves us. If you've been watching or reading the Dead Sea Squirrels, you've learned some of those stories—the ones in the New Testament about Jesus. These stories in the Bible happened many, many years ago but are still important for us today! Through the stories of Jesus, we learn how much God loves us—so much so that He sent His Son, Jesus, to be our Savior and our friend. The stories of Jesus also teach us how to live and love others. The Bible says, “the word of God stands forever.” That means no matter how old it is, the Bible can still come alive in our hearts when we study it.

BIBLE VERSE

The grass withers and the flowers fade, but the word of our God stands forever. Isaiah 40:8 (NLT)
